

## **Essex Scouts Email Lists**

### ***Definition***

An Email list is similar to a traditional mailing list – a list of names and addresses – kept by an organisation for sending out publications to its members. An Email list works by having one email address, which will email out the same email to every email address listed on that list.

There are many Email Lists on the Essex Email List Server. The major ones are:

- beaver-list
- beaverteam-list
- countyexec-list
- countyteam-list
- cub-list
- cubteam-list
- dc-list
- explorer-list
- explorerteam-list
- general-list
- jamboree-list
- mediateam-list
- network-list
- networkteam-list
- scout-list
- scoutteam-list
- supportteam-list
- trainingteam-list
- webteam-list
- youthprogramme-list

Plus many, many more...

Some of the Essex Scouts lists you can join yourself and others will require authorised membership.

### ***Who can use them?***

Anyone, within reason. All messages sent to the lists are approved by moderators before being sent out, in order to stop spam, and to help ensure the lists are being used for

scouting, and **relevant information** to the members of the particular list. There is also a danger to "information overload" by the people on the email lists, so please use sparingly. Remember you can also reach lots of people by posting a message up on the Essex Scouts Forums.

### ***How do I use them?***

Simply send your email to ***list***@lists.essexscouts.org.uk, replacing ***list*** with the relevant list name.

Eg. [general-list@lists.essexscouts.org.uk](mailto:general-list@lists.essexscouts.org.uk)
