

# Grant Funding

This list is by no means exhaustive and the County Organising Commissioner welcomes information on other Charitable Trusts that have helped Scouting around Essex.

The COC would like to know if you have been successful in applying for funding or indeed if the Charitable Trust does not, or no longer, supports Scouting.

A \* after a trust denotes that help has been given to Essex Scouting in the past.

Further information on most of these trusts will be found on the Charity Commission's web site. [www.charitycommission.gov.uk](http://www.charitycommission.gov.uk)

### **WREN Landfill Tax**

Scout Groups and Campsites within a certain radius of landfill sites can apply for funding from them. Further details of sites, information and application forms can be obtained from [www.wren.org.uk](http://www.wren.org.uk) email [wren@wren.org.uk](mailto:wren@wren.org.uk) or 01953 717165.

Also look at the Cory Environmental Trust website.

### **Employees**

It is useful to note that some companies, such as Mobil, Natwest, and Fords have money available to help organisations that their employees belong to. Fords in particular, will pay for employee's training. B.P., Shell and Rank Xerox have a system of matched funding. Midland Bank has two schemes available. Tesco gives 20% top-up to money raised.

Remember that every parent is a member of your Group Scout Council.

### **Other sources of grants**

It is also worth exploring other sources of local funding from your Parish or District Council as well as your local Round Table, Lions Club, and Rotary Clubs
