These modules can be validated by your TA, a Local Training Manager or the County Training Manager.

## Module Completion Certificates

How would you like yours? With the change in postal charges this year and the number of certificates that are mailed out from Gilwell Park each month, the Scout Association are reviewing how they manage this. Therefore they want to gauge opinion on the following issues

- Would you prefer an A4 or A5 Certificate for Module Completion?
- Would you prefer all Module certificates to be mailed to the CTM, LTM, DC or directly out to the learner?

At this stage the Scout Association is getting a feel for the consensus across the country but your feedback will help them make changes to the system to ensure it is as simple and as cost-effective as possible. Please send your comments via e-mail to [brigitte.hurlock@scout.org.uk](mailto:brigitte.hurlock@scout.org.uk). Your opinion really will make a difference.

## Institute of Leadership and Management

The Scout Association has recently teamed up with the Institute of Leadership and Management (ILM) to offer woodbadge holders further external recognition for the training they have undertaken. The ILM is the UK's largest awarding body for Management and leadership qualifications in the UK and has over 17,000 members. The ILM has recognised the quality and level of training and experience an adult has

received in order to gain their woodbadge and is therefore offering membership of their organisation at a reduced rate based on this experience.

Information on this offer will be distributed with all new woodbadges.
